

Commercial Motor Vehicle Criminal Interdiction (CMVCI)

Presented by:

**Federal Motor Carrier Safety Administration
Drug Interdiction Assistance Program
*In partnership with W/B HIDTA***

Dates: April 25-27, 2023- Class Times are 8:30-4:30

Location: Virginia Beach Law Enforcement Training Academy

Address: 411 Integrity Way, Virginia Beach VA

Instructors: Ronald Whittaker, Matthew Fandal, Ty Owen

This tuition-free 24-hour course is intended to familiarize and update law enforcement and Commercial Motor Vehicle (CMV) safety officials who perform, or intend to perform, CMV counter-crime activities, tactics, and criminal interdiction techniques involving everyday CMV traffic in transit.

Topics are related to commercial motor vehicles and include:

Trucking Industry Overview · Criminal Trends & Trafficking Patterns · Cargo Theft · Agency Enforcement Authority · Legal Considerations · Criminal Indicators · Required Marking & Documents · Roadside Interview and Interview Techniques · Items of Interest · Rapid Assessment · Concealment and Search Techniques · Case Networking & Adoption · Court Testimony & Report Writing · Trucks & Terrorism · Controlled Deliveries · EPIC Access & Use

NOTE: Upon successful completion of the training and exam, participants will receive a certificate of completion. Registration is required to attend this free training.

***** Attire: Career Casual or Uniform *****

Class Registration Tip Sheet

NEW USER

If this is your first time registering for a class in the LMS:

1. Sign up for an LMS account by visiting <https://fmcsa.lms.dot.gov/eform/submit/user-account-request-form> and selecting "Sign Up" in the upper right-hand corner.
2. Enter all required User information and click "Submit".
 - i. Be sure to use your work email address (state or .gov email address).
 - ii. You will receive an email that your registration is pending approval.
3. **Await Approval.**
4. Once approved, you will receive an email which will include instructions for registering for a Login.gov account.
 - i. Be sure to use the same work email address (state or .gov email address) that you used in Step 2 when creating your Login.gov account.
 - ii. When registering for an account with Login.gov, you will receive an email to set up a password. If you do not receive this email, check your Junk folder, then add no-reply@login.gov to your address book and re-try. Please use a cell phone that you currently use for the verification code to be sent to, not an office phone.
 - iii. **You must register for an LMS Account and a Login.gov account to be able to log in to the LMS, register for classes, access class materials, and take exams.**
5. After your User Account Request has been approved and you have created your Login.gov account, follow the instructions below to log in and register as a student for a class.

RETURNING USER

If you already have an account on the LMS:

1. Log in to the LMS using Login.gov via <https://fmcsa.lms.dot.gov/lms-login>.
2. Select the class from the list of upcoming classes on <https://fmcsa.lms.dot.gov/>.
3. Confirm that you meet the required Prerequisites by checking the Prerequisite Confirmation box.
4. Click Register.
 - i. You will receive an email that your registration is pending approval.
5. Await Approval.
 - i. Once approved, you will receive an email confirming you have been approved for the class.

Please note that registering for a class through the LMS is a **request for registration**.

Your State POC/DIAP POC will approve or deny your class registration request, and you will receive the decision via email.

Please reach out to FMCSA-NTC-LMS-Support@dot.gov with any questions or concerns.
