

# PROFESSIONAL LAW ENFORCEMENT TRAINING

## Mid-level Narcotic Investigations

### TOPICS COVERED

- Mid-level Enforcement Philosophy
- Structure of Mid-level Organizations
- Building a Conspiracy Investigation
- Conspiracy Legal Briefs
- Identification of Overt Acts
- Use of Confidential Informants during Mid-level Investigations
- Case File & Preparation
- Case Study of Mid-level Investigation

This course will teach officers how to identify, target, infiltrate and prosecute drug organizations that often go undetected. It was developed to target mid-level drug dealers using all available resources, including both state and federal narcotics and firearm laws. All the material presented are based solely on methods that have been extremely effective in past mid-level investigations.
