

The National HIDTA Assistance Center is providing the following course on the NHAC – Learning Management System (NHAC-LMS)

HIDTA Training Coordinator Orientation Course is self-paced, and you have 60 days to complete it after enrollment.

The course content is intended for new HIDTA Training Coordinators.

This course covers the responsibilities of a HIDTA Training Coordinator. Each module has a presentation, presentation video, and knowledge check quiz. Each must be viewed as a prerequisite to move to the next module. After completion of the modules, you will be allowed to take the final quiz. Upon completion of the final quiz, with a score of 80 %, you will be credited with a certificate of completion. If you do not pass with an 80 % on the final quiz, you may take it again until you earn the 80% requirement. Questions can be directed to:
