Announces the

Truckers Against Human Trafficking Training

The ***Truckers Against Human Trafficking Training*** is a course created by Truckers Against Human Trafficking, a non-profit organization dedicated to the reduction of human trafficking. The materials have been shared with the National HIDTA Assistance Center through the ongoing relationship with the Domestic Highway Enforcement Initiative. The course delivers a ***self-study format*** of modules that can be shown to sworn officers and non-sworn individuals who are employed by or contracted by a HIDTA.

This six-hour course is divided in five modules that include “pre-tests” designed to reinforce the learning objectives of each module.

To register for the training, please follow the instructions below.
