National HIDTA Assistance Center
Announces the

HIDTA Cybersecurity Awareness Training

The ***HIDTA Cybersecurity Awareness Training*** is a course for HIDTA personnel with emphasis on social engineering threats. The course delivers a ***self-study format*** of one module followed by a short quiz.

To register for this training, please follow the instructions below.

Registration Instructions:

1. Open your web browser to https://www.nhac.org/hidtatrainingcalendar/events/8
2. This link is available until June 30, 2025
3. Find HIDTA Cybersecurity Awareness Training and select Register
4. Fill in the HIDTA Training Registration Form

A second email will be sent once your application has been reviewed and approved. Please be aware that you are not confirmed until you receive the second email with a link to the video, and make sure to check your spam folder if your firewall redirects the confirmation email.

Questions concerning registration, please contact Ernesto J. Garay-López at 305-715-7756 or via email ejgaray@nhac.org.
