

CONFIDENTIAL – Participating Agencies Only

South Florida HIDTA – Strider Intelligence Briefing & Demo

AGENDA

DATE: December 3, 2025

TIME: 1:30 – 3:30 PM EDT

Location: In-person: 3200 W Meridian Pkwy, STE 101, Weston, FL 33331 or Virtually (via Zoom)

1:30 – 1:40 pm EDT | Welcome remarks by HIDTA Leadership and Brad Belzak (Strider)

1:40 – 1:45 pm EDT | Introductions (attendees and speakers)

1:45 – 2:00 pm EDT | Macro China-related Trends

- ◆ Strider overview of upstream (China) fentanyl trafficking trends, strategies and then challenges to interdiction.

2:00 – 3:30 pm EDT | Strider Intelligence Briefing & Platform Demo

◆ **Strider Overview**

- 200+ staff including cleared IC, LE, and data science experts
- 16B+ document multilingual OSINT dataset
- Zero-touch cloud platform for real-time intelligence and enforcement support

◆ **Key Capabilities**

- Checkpoint Platform: Tracks 5,000+ Chinese precursor chemical suppliers across websites, marketplaces, and social platforms
- Supplier Risk Ranking: Flags entities based on product volume, sanctioned affiliations, and ties to Chinese state programs
- Supply Chain Mapping: Visualizes networks across manufacturers, logistics hubs, and downstream operators
- Patent & Inventor Intelligence: Connects R&D activity to state-backed program.
- Pill Press & Counterfeit Monitoring: Identifies B2B vendors and evasive shipping behavior
- Real-World Case Tracking: Post-indictment monitoring

◆ **Live Demo**

- Walkthrough of supplier risk scoring and threat prioritization

- Visualizing fentanyl precursor shipping routes; Online vendor investigations
- Open Q&A on how agencies can leverage insights in ongoing operations

◆ **Closing and Next Steps**

- Feedback, pilot interest, and follow-up coordination

Registration link:

<https://www.nhac.org/hidtatrainingcalendar/events/6>

Use your official agency email address. Each student will need to register with their own individual accurate agency/work email address, not a generic or agency coordinator email address. One person cannot register multiple people using the same email address.
