W/B HIDTA Analyst Roundtable Presents:

Block, Inc. and P2P Transactions

WB HIDTA & MD-FIT have coordinated with Block, Inc to provide law enforcement with a 2 hour block of training. Block, Inc. (formerly Square) is a global financial technology company providing commerce and financial services for individuals and businesses through its main ecosystems, Square (for sellers, offering POS, payments, loans) and Cash App (for consumers, with P2P payments, investing, banking). This training will provide law enforcement with an overview of their products and services, compliance program, Special Investigations team, legal order processing, and a discussion of how Block, Inc. partners with law enforcement for case work.
