

The Joint Training Initiative
at
South Florida High Intensity Drug Trafficking Area
is hosting:

Case Explorer & Performance Management Process Training (New HIDTA Initiative Users)

Date: May 28-29, 2026 (Thursday-Friday) **Time:** 9:00 am - 4:00 pm

This two-day course is specifically developed for new HIDTA initiative users and focuses on how Case Explorer and the Performance Management Process databases are used in the HIDTA environment to collect an initiatives investigative activity throughout the program year.

This training is designed to assist initiative users in improving the quality, integrity, and accuracy of information shared between Case Explorer and the web Performance Management Process database.

Location: Weston SFLHIDTA Facility, 3200 Meridian Parkway, Ste 101, Weston, Florida 33331

Tuition: Free
