South Florida HIDTA
and

Western Regional Counterdrug Training Center

Presents

Enhanced Tactical Medicine (Advanced)

August 26-27, 2026 (Wednesday-Thursday) Time: 8:30a.m.-5:00p.m. (EST)
Deadline Date to Register Online: July 22, 2026

Course Description: This course is designed to teach Law Enforcement Officers and other first responders how to treat and manage trauma patients in a civilian tactical environment. Utilizing a mix of classroom presentation and hands-on skills training, attendees will learn how to provide life-sustaining treatments in threatening conditions. Instructors will leverage overseas and domestic military experiences in order to illustrate and convey lessons learned in hostile situations. This course requires a **16-hour (2-day)** commitment from students and provides more in depth modules and hands-on skills practice than is offered in the Basic Tactical Medicine course. The second day includes evaluated scenarios that require students to practice tactics as well as life-saving treatment for casualties. Upon course completion, students will be able to identify and treat the leading causes of preventable death in a multi-phase tactical environment.

Location: Weston South Florida HIDTA Facility, 3200 Meridian Parkway, Suite 101, Weston, FL 33331

Provider: Western Regional Counterdrug Training Center (WRCTC)

Tuition: Free, however travel costs are the responsibility of the parent agency.

Registration: <https://www.wrctc.org/event/?eid=e9c86a77-2967-4199-be6a-267df2e7e6cb>

Each student is to register with their own individual and accurate email address, not a generic or agency coordinator email address. Each applicant will be notified via their agency email address (required on the registration) a Confirmation or Wait List e-mail that will be sent out after the deadline date and once selections are made. Please be advised that an applicant is not confirmed for the class by virtue of registering online.
