FBI CJIS NCIC Off-Line Searches

DATE	Tuesday, October 20, 2026 1:00 PM-2:00 PM (EST)
LOCATION	Virtual
COURSE GOALS	To explain what the NCIC Off-Line Search System is and how it can be beneficial. To educate investigators on the value a NCIC Off-line search can provide. To show why in certain investigative situations, an online inquiry alone may be inadequate, and agencies may need to request an NCIC Off-line search of the database.
COURSE CONTENT	This one-hour NCIC Off-line workshop will: • Show how off-line searches can assist an investigator in locating a piece of property, determine the proximity of an individual to a crime scene, substantiate or discredit an alibi, or trace the route of a person of interest
PREREQUISITS	None
Cost	None
WHO SHOULD ATTEND	All Law Enforcement Officers and Investigators
REGISTRATION	Register Once your application has been reviewed and approved you will receive an email with other pertinent info. Questions? Contact Marc Greenstein at 305-715-7757 or via email mlgreenstein@nhac.org
