COURSE DESCRIPTION: 1 day (8 hour) course.

Palestra Group International has developed a One Day Officer Safety Issues for Undercover Operators Course. This course focuses on the basic officer safety issues faced when supervising, supporting, covering or operating as an undercover. Highlighted are the pitfalls and dangers associated with criminal cases prone to violent acts and the use of confidential informants. Using a stepped approach students are provided with a comprehensive plan to mitigating risk and fluid situations. Students are also provided with the techniques and skills to achieve a positive outcome when faced with tenuous and hazardous situations. This course is presented through the use of lecture, power point presentation and actual videos of firearm and narcotics undercover operations.

Topics provided:

- Operational planning
- Red Flags
- UC Do's and Don'ts
- CI Management
- Measurements and weights
- Carry vs. Non Carry
- Ghost and cover officers
- Set and target location evaluation
- Rules of Conduct
- Street terminology
- Identity cover techniques
- Undercover Dress, jewelry and tattoos
- Available technologies to facilitate covert operations

- Developing target relationships
