National HIDTA Assistance Center

Meta Law Enforcement Programs Workshop

DATE	**Wednesday, January 06,2027** **1:00 PM-2:00 PM (EST)**
LOCATION	Virtual
COURSE GOAL	**Provide an overview of Meta's global law enforcement programs and the various teams that provide support to law enforcement.** **Understand how Meta develops community standards and what content is and is not allowed on Meta's platforms. What is Meta's policy on illicit drugs and dangerous organizations and individuals (e.g., cartels).** **Learn how Meta can help advance law enforcement investigations and best practices on how to submit legal processes to obtain user data in accordance with applicable laws and policy**
COURSE CONTENT	Meta – the parent company of Facebook, Instagram, Messenger, and WhatsApp – is committed to keeping abuse off our platforms. We have developed strict policies to make clear what is and isn't allowed and work closely with law enforcement to promote safety across our platforms and in the real world. This presentation will provide an overview of Meta's law enforcement programs, explain how Meta can help advance law enforcement investigations, and share best practices on submitting legal process.
PREREQUISTS	None
Cost	None
WHO SHOULD ATTEND	All Law Enforcement Officers and Investigators
